

Driving Directions to
Woodland Park Lawn Bowling & Bocce Club

6150 Whitman Ave. N., Seattle, WA 98103

From downtown Seattle, Aurora Ave. is the most direct route to the Club. See immediately below for directions.

If you're coming via the I-5 freeway, take Exit 169 and follow the directions on this page.

If you're coming from north of Greenlake towards downtown on Aurora Ave., you can't turn directly into the Club because of a big, yellow divider that blocks left turns into incoming traffic. Use the **Driving South on I-5** route instead, or see page 2 for instructions on reaching the back route into the club from Aurora.
