### Mail to:

Woodland Park Lawn Bowling Club  
PO Box 31164  
Seattle, WA 98103-1164

Volunteer service enables this club to keep annual membership dues low.

Each volunteer is assigned a task, such as mowing the perimeter of the green two times in June, etc. Or you can pay an extra \$75 to opt out of any volunteer hours.

We urge you to volunteer instead, but this option does exist.

**Please check your preference below:**

**Greens Maintenance**

*Volunteer duties include mowing the green, weeding gutters, top dressing (spreading fine sand on the greens), fertilizing, or serving on the occasional weekend work crew to accomplish multiple tasks.*

**Rentals**

*The main volunteer duty here is instructing groups in the art of croquet, lawn bowling or bocce, depending on your chosen sport. Don't worry, we won't stick you by yourself with a large group. Rentals are team efforts.*

**Games**

*Help organize Club competitions for your sport.*

**Machinery/Maintenance**

*Duties include switching/adjusting mower blades, changing oil, and repair tasks that should only be attempted by the mechanically inclined.*

**Membership Committee**

*Recruit new members to help us grow and thrive for your sport.*

**Clubhouse**

*Duties include washing windows, watering hanging plants on the patio, cleaning kitchens and bathrooms, checking and replacing supplies like toilet paper and paper towels and serving on occasional crews for projects conceived by the Clubhouse Committee.*

**Wildcard**

*You might have a special gift or crackerjack idea of possible great benefit the club. If so, check this box and explain your idea below.*

**Opt out**

*If other commitments limit your time, add \$75 to your enclosed check in payment of dues to opt out of volunteer work.*
